Rutgers, Basic Wetlands Training

Introduction of all members and Guests, new member Karen Inzillo welcomed.

Discussion ensued regarding grant deadline from ANJEC on Conservation Easements. Michelle will ask Planning Board if there is interest for next year.

Michelle: Planning Board Report, Michelle discussed the new Solar Ordinance before the Planning Board and urged all members to attend the next Planning Bd meeting.

Chip Paillex, From Grow a Row is away this month but will come to our March meeting to tell us about the plans and future of the farm he has purchased in our Township.

Conservation Easements.. project not yet started but will be when weather gets a little warmer.
NJ Highlands Coalition, No report, Dave could not attend last meeting but did advise us of the
Governors allocation for the Highland

Council's budget.

Well Water Testing, April 16 pick up with Barbara and Dave D , drop off April 18 with Barbara
and Wilma.

Hand outs to remind residents about well water testing will be handed out at the March dump day
and of course

at the April dump day which is also well water testing day.

Disussions on presentations for the EC/Public:

It was discussed that some presentations the EC will try and have at our meetings will be Solar
Garden, Grow a Row, NJDEP-Dr. Spayd and the South Branch Watershed. Carol will contact
Chip to ascertain his availability to attend our March EC meeting.

Projects for Year.

Well water testing.

Diana Dove, environmental education to second grade class at LDW on March 31st. confirmed.

Barbara will attend and have voucher signed.

Dave Scarcini will think about a soil/worm project with the school.

EC voted to pay for 2 rain gauges @ 25.00 each for a total of 50.00 (if the project can fit the
schools time frame) , Carol will contact school.
