

About 1/3 of wells tested for arsenic in Alexandria Township were above acceptable limits*

Well water should be tested yearly

*According to records kept by the NJDEP

Alexandria Township Environmental Commission
annually sponsors

Community Well Test Day

The Community Well Testing Program provides reduced rates for group testing. The Basic Kit (\$50.00) tests for: Coliform Bacteria with Fecal Coliform Confirmation and Nitrates.

The water testing is performed by Garden State Laboratories (a New Jersey certified laboratory). All test results are reported directly and confidentially to the resident.

Additional testing is available for:

Iron	\$ 15.00
Manganese	\$ 15.00
Lead	\$ 25.00
Copper	\$ 15.00
Arsenic	\$ 35.00
Volatile Organics	\$ 90.00
Pesticides	\$130.00
Radon	\$ 75.00
Gross Alpha	\$ 75.00
